## USS OZBOURN DD 846 "the Happy Ship"

Vol. 4. No. 3 & 4

August 1995

### The President's Report

#### FROM THE BRIDGE

It's summer time again and only a few short months to the Norfolk reunion. As you will note in the schedule of planned events, it will be busy if you elect to do everything. The banquet on October 31st will feature "Heart's Desire," a "USO show" that comes with excellent references.

While attending the annual Navy League convention in St. Louis, I took the opportunity to drive to Herrin, Illinois, the hometown of Joseph Ozbourn. I met the mayor, Mr. Edward Quaglia, a very fine gentleman indeed, who took me to the city park with its veterans memorial and tribute to Pvt. Ozbourn. I left the mayor with an Ozbourn hat and an invitation to our reunion. Walking through Herrin is like walking back into the past — old time main street and a low crime rate. The mayor told me that the people there leave their doors unlocked half of the time. In short, Herrin is reminiscent of America of times gone by and that we may never see again.

While in St. Louis, I also had a most enjoyable visit with my old shipmate Don Dickerhof and his wife Pat.

About a month ago, I received a call from Dan Wisner, President of the USS De Haven Sailors Association who is organizing a DesRon 9 Association (to which Ozbourn was assigned after FRAM). You can expect to hear from him.

Note that we have combined two issues of *Fireball!* in order to put them into the mail at the most convenient time for all shipmates prior to the reunion. Hope to see you there!

## NORFOLK AND VICINITY

For those of you who have not been to Norfolk recently, you're in for a big surprise. After years of poor relations between the Navy and Norfolk, the two have long since reached a great deal of harmony. The Navy pumps several billion dollars into the local economy every year. Over a third of the population in Hampton Roads (1.3 million total) are either active duty, dependants of or retirees. Among the vast concentration of military facilities in the Norfolk area are the Norfolk Naval Station, the largest naval base in the world, Langley Air Force Base, Little Creek Amphibious Base, the largest facility of its kind, three Army bases, and two naval air stations.

In addition to the modern military you will find a wealth of early American and Civil War history. Within a stones throw of each other are Williamsburg, Jamestown and Yorktown.

Norfolk is the home to the Chrysler Museum, which boasts a 30,000-piece collection and the MacArthur Memorial the Generals final resting place.

The Virginia Stage Company and Virginia Symphony bring national recognition to the city along with its 175 acre Norfolk Botanical Garden. All the old taverns and tattoo parlors on Granby street are gone and have been replaced with gleaming office towers, hotels and the Waterside, a festive marketplace of 120 speciality shops and eateries. All year long the downtown waterfront is alive with outdoor concerts, festivals and special events.

Nauticus, the National Maritime Center, combines hands-on exhibits, working laboratories, the Hampton Roads Naval Museum, and more. There is plenty to see and do some come early and stay late. The hotel will extend the special group rate before and after the reunion if you decide to do so. **The climate in Norfolk, during the reunion, should be mid 50's days, and mid 40 nights.**

The Quality Inn Lake Wright has cable TV, an 18 hole championship golf course, tennis courts, an outdoor pool, The hotel features a full service restaurant and a lounge with live entertainment Wednesday - Saturday.

**If you are flying into Norfolk International, call the hotel from the special phone in the baggage claim area for a free van ride to the hotel.**

If you are coming by RV'S the nearest campground with hook-up are:

## MAKE SURE YOU HAVE YOUR HAT IN TIME FOR THE REUNION

### OZBOURN HATS, JACKETS, & SHIRTS

ARTISTIC CO. has informed Bob Whitten that you can purchase single Ozbourn hats. I also talked to the owner and he can supply any hat you want. They make a nice gift. Hats can be ordered with or without scrambled eggs. In addition you can order a windbreaker or golf shirt. I would suggest you call ahead for pricing info as I believe he has gone up a little. These hats are a great door opener to former sailors.

## NEWS FROM GARY SCHWERR

Gary L. Schwerr (QMC, 58-61) wrote in from Penscola, FL. A couple of blank fillers for your ship's history. The CO when I reported aboard in Sept 58 was CDR. Charles A. Kuhl. He was relieved by LCDR W. W. Turner in the summer of 59 after we returned from WESTPAC. CDR. Turner was promoted shortly after taking command. Capt. Fargo was COMDESDIV 112 when I reported. I believe he was relieved by Capt. Alexander S. Goodfellow by the time we went back to WESTPAC in 1960.

RE Bow Stories: While at a buoy in San Diego in late '59 or possible '60, a yard barge hit the bow of the USS Brinkley Bass (DD 879?) while she was moored alongside the "OZ". The bow of the YW went clean through the bow of the Bass, into and through our bow in a heavy fog. We were dry docked for a couple of days for hull inspection. No serious damage. The Bass wasn't as lucky-requiring more extensive repairs. Hit us just under the port anchor and the nose of the YW just stuck out of the Starboard side.

Upon reflection there may have been one other Commodore between Capt. Fargo and Goodfellow. Looking forward to receiving the next "Fireball". I have an old boogie recording of the "Fireball Boogie" if thats of any interest. By 1958 our call sign was "Spread Eagle".

## KOREA REMEMBERED

A new book "Korea Remembered" has been published by Charles (Pete) Cole (1950-51), published by the Yucca Tree Press, Las Cruces, New Mexico, has hit the stands. The book mainly details Pete's tour of duty on the Ozbourn but anyone who served aboard will find it very interesting reading.
