FROM THE BRIDGE

Greetings to All Shipmates, Families and Friends

The 2017 Reunion is coming September 27th thru October 1st. We will be enjoying the east coast around Virginia Beach and Norfolk, VA. Please start making your plans to attend. The Host Hotel is 4.3 Stars with a very polite staff and great FOOD. We have several fun tours and great times planned. As the years go by, our ranks are getting smaller. Please come and have a good time with your family and old shipmates.

When Sallae and I made our first reunion in San Antonio, TX, we were greeted at the door of the Hospitality Room by Warren Zashich and W.D. Minter. They said, "look, one of the young guys is here". I guess I am still one of the young guys, I just look old.

Sallae and I look forward to seeing everyone out east. Fly, drive, sail or walk, just come and enjoy.

Hope all are well and may God Bless you all, our Great Country and all Americans.

2017 Biennial Reunion Update

"ALL HANDS, NOW HEAR THIS", Virginia Beach-Norfolk, Virginia has been selected as the Host City for the **2017 Reunion of the USS OZBOURN Association**. As all hands are already aware, the Association attempts to vary the sites throughout the U.S. as to not make it a burden on those residing around the entire country. As a result of the 2015 Reunion being held in Baton Rouge, Louisiana and the 2013 Reunion being held on the West Coast, in San Diego, it was once again time to meet in the Eastern part of the country. After surveying several possible Host Cities, **Virginia Beach-Norfolk** was ultimately selected.

Clearly, our reunions are a family event and the Association Officers are very grateful for family members that attend and escort those shipmates who may require a little assistance. We are also very pleased with the number of shipmates who are able to attend the reunions.

Our Host Hotel for the 2017 Reunion is the **Holiday Inn Virginia Beach-Norfolk**, 5655 Greenwich Road, Virginia Beach, VA 23462. The Reunion Committee worked very hard and has negotiated an excellent daily rate of \$119.00 plus tax, double occupancy that also includes a daily breakfast for two. The hotel has also agreed to offer the same rate for three days prior and three days after the reunion for those wishing to arrive early or stay a little longer, based on availability. The hotel can be contacted by dialing **(757) 499-4400**. When making reservations be sure to tell the operator that you are attending the **USS Ozbourn Reunion**. **The cut off date to make hotel reservations is September 6, 2017.**

The reunion commences on Wednesday September 27, 2017 with check-in and the Hospitality Room will open at **4:00 pm**. On the final day, Sunday, October 1, 2017, the Hospitality Room will close at **8:00 am**.

The **2017 Reunion Committee**, **Guy Posey, Randy Humphries, Mike Ward, Harold "Mac" McKeehan and Mark "Blu" Beaulieu**, assisted by **Dan Edwards**, continue to work very hard to ensure that our 2017 Reunion will be one of the truly great ones. Don't miss out, register early.

Please see the Reunion Schedule and Registration Forms located on Page 4 & 5.

PLANNING ON ATTENDING THE REUNION?

As all of you that have been involved in the planning of one of the great biennial reunions are already aware, it takes a great deal of work to arrange a host hotel, motor coaches, excursions, banquet, guest speakers, entertainment, gifts and of course our hospitality room.

On behalf of the 2017 Reunion Committee, **Guy Posey, Randy Humphries, Mike Ward, "Mac" McKeehan and Mark Beulieu**, we are attempting to ascertain the number of members and guests that plan on attending the 2017 Reunion. We of course realize that some members who indicate that they plan on attending, may be unable to attend by the time September 2017 arrives.

In addition, when making plans, be sure to make your hotel reservations as early as possible. This will allow the committee to add to the number of blocked rooms if necessary.

MESOTHELIOMA UPDATE FROM GEOFF WALKER QM2 (66-68)

I recently read "Korea Remembered" by Shipmate Charles F. Cole. Interesting, brought back memories of my time on "OZ". He mentioned all the asbestos dust coming from the water pipes during high speed maneuvering and during gunfire. I didn't think much about it then, but a few years ago, I talked to a guy who was on a tug with similar conditions. He had Mesothelioma and recommended that I get a Cat Scan. It took about four months to accomplish it through our great VA medical system here in Hawaii. I sent the results to a lawyer who my friend went through. A Radiologist said it looked okay. I talked to the lawyer and he told me that there were at least three pending cases from the USS Ozbourn and they were all from the Engineering Department involving the "Snipes". I thought that I would pass it on after reviewing the article regarding Agent Orange exposure in the last "Fireball". *(Editors Note: We are very appreciative of Shipmates like Geoff for keeping all members apprised of current events related to all of our health.)*

USS ZUMWALT DDG 1000 IN THE NEWS, "CANNOT AFFORD TO FIRE ITS NEWEST PROJECTILE"

One of the newest ships in the U.S. Navy's arsenal, the USS ZUMWALT DDG 1000, a stealth guided missile destroyer cannot afford the \$80,000.00 price tag for each of its 115 millimeter Long Range Land Attack Projectile. The GPS guided round is designed to hit targets up to 60 miles away. *(Editors Note: WOW!!!!!!)*
